PROJECTS

ONLINE MUSIC STORE

📅 2023 📍 Kochi

The Online Music Store project creates a digital platform for browsing, purchasing, and downloading music. It features a user-friendly interface, advanced search options, secure payment, and personalized recommendations. The goal is to offer an enjoyable experience for music lovers with modern web technologies for speed, security, and scalability.

FREELANCING

📅 2023 📍 Nedumkandam

This freelancing project involves offering specialized services such as writing, design, or development on a project-by-project basis. Key aspects include client consultation, tailored deliverables, and flexible deadlines. The focus is on delivering high-quality work while adapting to varying client needs and project scopes.
